

# Ravens Women's Basketball Impact Report 2017-2018

Thank you for your support of Ravens Women's Basketball. This past season your Ravens won Carleton's first Women's National Basketball Championship, and the philanthropic support from Gail Nicholls, BA/64, and other loyal basketball alumni and donors had a lot to do with this incredible undefeated season.

Gail established the Nicholls Challenge in 2015-2016 and again in 2017-2018 as a unique way to give back. This year's Nicholls Challenge matched every dollar donated to a maximum of \$25,000. Together, alumni and fans smashed the \$50,000 goal, raising a total of \$76,256! Funds will support a full-time assistant coach, academic support and topping up meal money on road trips.
